Independent Auditor's Report

Board of Directors
Beyond Borders, Inc.

I have audited the accompanying financial statements of Beyond Borders, Inc. (a nonprofit organization) which comprise statement of financial position as of June 30, 2016 and 2015, and the related statements of activities, statements of functional expenses and of cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Beyond Borders, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles generally accepted in the United States of America.

BEYOND BORDERS, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2016 AND 2015

1. **Nature of activities and summary of significant accounting policies:**

Nature of activities:

Beyond Borders, Inc. (the “Organization”) was incorporated as a nonprofit organization in January 1993 as a group of people who join together out of devotion to Christ to work for justice and peace by fostering transformative learning within and across cultural and economic borders. The Organization’s mission is to help people build movements in Haiti to liberate themselves from oppression and isolation. In pursuit of this mission the Organization is committed to helping people build four movements in Haiti – the movement to end child slavery, the movement to guarantee universal access to quality education, the movement to end violence against women and girls, and the movement for dignified work and sustainable livelihoods.

Basis of accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Property and equipment and depreciation and amortization:

Property and equipment are stated at amortized cost. Expenditures for maintenance, repairs and renewals of a minor nature are charged against earnings as incurred. Major improvements and betterments are capitalized. Depreciation and amortization is provided by the use of the straight-line method over the estimated useful lives of the related assets.

Uses of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial statement presentation:

The Organization has adopted FASB ASC 958-205, Presentation of Financial Statements. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. As permitted by the statement, the Organization does not use fund accounting.

Income Taxes:

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

2. **The Starfish Fund and Fair Value Measurements:**
