SUPPLEMENTARY INFORMATION
YEARS ENDED
JUNE 30, 2015 AND 2014

March 30, 2016

Dear Beyond Borders Stakeholder,

During the fiscal year ending June 30, 2015, Beyond Borders saw substantial progress in our work with all three programs described below. In our management and fundraising there have been greater efficiencies, stronger returns on investments, and we ended the year in a stronger financial position than the prior year.

Rethinking Power: The Rethinking Power program, working to end violence against women and girls, completed work in 5 communities. We completed adaptation and printing of *SASA! Activist Kit to Prevent Violence against Women and HIV*, featuring over 850 pages of posters, games, story ideas for journalists, statistics and advocacy ideas, monitoring and evaluation tools, training materials, and including a special training series for health workers. We also developed curriculum and launched a course on violence against women and girls now required of medical students in Haiti's National University Medical School. To fund the Rethinking Power program, we have a number of grants (some multi-year) that span fiscal years, resulting in a substantial amount of revenue being deferred to the new fiscal year. Approximately 13 percent of this program's expenses were covered by unrestricted funds.

Child Protection: The Child Protection Program experienced stable growth as it expanded to three new neighborhoods and provided training technical support to seven additional partner organizations. Three new volunteer child protection brigades were inaugurated. Six community based organizations rolled out child rights programming in their own communities. Approximately 24 percent of the program expenses were covered by unrestricted funds.

Model Community: Program activities experienced an initial delay this fiscal year as Beyond Borders transitioned out of our long term partnership with Fondasyon Limyè Lavi in southeast Haiti to five new partnerships, three on the island of Lagonav and two on the mainland. These new partners offered unique strengths critical to the success of the program and the opportunity to scale the program up in new regions in Haiti. The delay in some program activities led to a surplus of restricted revenue for FY 2015, which is being applied to the new fiscal year.

Our investments in fundraising resulted in increased revenue both in real terms and as a percentage of funds spent on fundraising; a growth in revenue from major donors; growth in the total number of donors; growth in our capacity to raise funds from the Haitian-American community; and growth in grant funding, including a new three-year commitment from a new institutional funder.

I am pleased to present to you our audited financial statements for the year ending June 30, 2015.

Independent Auditor's Report

Board of Directors
Beyond Borders, Inc.

I have audited the accompanying financial statements of Beyond Borders, Inc. (a nonprofit organization) which comprise statement of financial position as of June 30, 2015 and 2014, and the related statements of activities, statements of functional expenses and of cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Beyond Borders, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles generally accepted in the United States of America.

BEYOND BORDERS, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2015 AND 2014

1. **Nature of activities and summary of significant accounting policies:**

Nature of activities:

Beyond Borders, Inc. (the “Organization”) was incorporated as a nonprofit organization in January 1993 as a group of people who join together out of devotion to Christ to work for justice and peace by fostering transformative learning within and across cultural and economic borders. The Organization’s mission is to help people build movements in Haiti to liberate themselves from oppression and isolation. In pursuit of this mission the Organization is committed to helping people build four movements in Haiti – the movement to end child slavery, the movement to guarantee universal access to quality education, the movement to end violence against women and girls, and the movement for dignified work and sustainable livelihoods.

Basis of accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Property and equipment and depreciation and amortization:

Property and equipment are stated at cost. Expenditures for maintenance, repairs and renewals of a minor nature are charged against earnings as incurred. Major improvements and betterments are capitalized. Depreciation and amortization is provided by the use of the straight-line method over the estimated useful lives of the related assets.

Uses of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial statement presentation:

The Organization has adopted FASB ASC 958-205, Presentation of Financial Statements. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. As permitted by the statement, the Organization does not use fund accounting.

1. **Nature of activities and summary of significant accounting policies - continued:**

Financial statement presentation – continued:

Contributions:

The Organization has also adopted FASB ASC 958-605 Accounting for Contributions Received and Contributions Made.” Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

Income Taxes:

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

2. **The Starfish Fund and Fair Value Measurements:**

On March 10, 2004, Beyond Borders, Inc. created The Starfish Fund as a restricted account to receive a gift of \$150,000 to be available for use by the Matenwa Community Learning Center (MCLC) in Haiti. Income from the fund is to be used to support the staff and educational mission as defined by those who govern the MCLC. Up to 10% of principal may be distributed in any one year.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at June 30, 2015 are as follows:
